345 Donald Ave
Rocky Mount, VA 24151

Dear Council Members:

I am writing to respectfully request permission to speak to the Rocky Mount Town Council at their next meeting. I would like to ask the members of the Council for their permission to have a road race on Glenwood Drive and Scuffling Hill Road on Memorial Day, which this year is May 31st. The race begins at 9:15 a.m., and it has never lasted for more than an hour. The course begins on the campus of Christian Heritage Academy, and goes up the hill of Glenwood Drive. The runners and walkers turn left onto Scuffling Hill Road and go down the left side of that road until they reach Rakes Road. At that point they turn around and return to the campus of the school, again staying on the left side of the road. We always have people posted on the race course to slow the traffic down for the safety of the runners, and the Police Chief has always been kind to have a deputy helping to monitor the event. The Highway Department has also been supportive by lending us some large orange signs that warn drivers to be prepared to stop. We post these signs on Scuffling Hill Road.

This race is held every Memorial Day as a benefit to Christian Heritage Academy. I thank the Council for their help in the past for making this such a successful event in the life of our school.

Thank you for your attention on this matter.

Sincerely,

Eric Miller
