

**MAIN STREET PROGRAM
ACCT. 01-8105**

The Main Street Director will be funded by pooling Town and County funds. This will provide greater accountability to the Town and the County while at the same time enabling the Town to attract a strong candidate to guide this vital program's activities. Franklin County will contribute \$15,000 towards this position. By being more closely associated with the Town, present business expansions and new commercial growth is expected to occur. By having the Main Street Director as a Town employee, more economic development opportunities can be explored and completed as he / she works with the Assistant Town Manager / Community Development Director. This dynamic approach to partnering is done in 30% of the communities across the Commonwealth.
