The Town will refund the deposit after 13 months for owners and after 25 months for renters if the account is in good standing and a satisfactory payment record has been established. The deposit fee is waived for current or previous customers (within 2 years) in good standing.

The meter is read at the beginning of the month and bills are dated at the end of the month. **PAYMENT IS DUE BY THE 25TH OF THE MONTH TO AVOID A 10% PENALTY. IF PAYMENT IS STILL NOT RECEIVED BY THE 10TH OF THE FOLLOWING MONTH, THE ACCOUNT IS SUBJECT TO DISCONNECTION OF SERVICE.** The first reconnection is assessed an additional \$10 fee. Subsequent reconnections are charged \$25.

Payment may be made in person at the Municipal Building, at the drive-thru located behind the Municipal Building, in the night deposit box located near the drive-thru window, or via US mail (must be in the Finance office on or before the 25th to avoid the 10% penalty). Ask the Finance Dept. if your bank participates in the automatic debit program.

If an error in billing occurs, it is understood and agreed to that any additional collection or refund due will be for one year prior to the date of discovery of the error. Interest, at the current rate, may be assessed or paid to you.

When moving, it is the depositor's responsibility to have the water taken out of your name. When the Town is notified, a meter reading is taken, the water is turned off, and the account is taken out of your name. The final bill will be marked "final" and mailed in the next regular billing cycle. **It is very important to provide a correct forwarding address.** The final bill may be deducted from the deposit. If the bill is more than the deposit, the depositor is responsible for the difference. If the deposit is more than the final bill, the balance will be refunded to you.

The water meter is the property of the Town of Rocky Mount. Severe penalties apply for tampering with the meter.

Town residents are assessed a garbage fee for weekly pick-up. Ask the Finance Dept. for your collection day.
