Message from the Chief

I am deeply honored to serve as the Chief of Police for the Rocky Mount Police Department since 2022. My law enforcement journey began in 1996 at Ferrum College Police Department, where I served both as an officer and later as the Chief. In 1998, I transitioned to the Franklin County Sheriff's Office, where I held various positions including Officer, FTO, School Resource Officer, Accreditation Manager, Sergeant, Lieutenant, and Captain. Over the years, I have worked closely with the Rocky Mount Police Department.

When the opportunity arose in 2022, I embraced the chance to serve my hometown. Growing up in Rocky Mount, attending its elementary, middle, and high schools, and with my parents still residing here, I have a deep connection to this community. As Chief, my vision has always been to see the Rocky Mount Police Department excel and become the exceptional department I knew it could be. To achieve this, I recognized the importance of accreditation. In December of 2024, the Rocky Mount Police Department was granted accredited status by the Virginia Law Enforcement Professional Standards Commission after complying with all standards set forth by the Commission.

Accreditation is a process that enables our department to benchmark itself against the highest standards in law enforcement. Achieving accreditation signifies that the Rocky Mount Police Department is committed to excellence. We are dedicated to establishing and adhering to policies that will guide our department and help us achieve our goal of being exceptional.
